

DA-1200

1x12 Distribution Amplifier

Instruction Manual

Thank you for purchasing one of our products. Please read this manual before using this product. When using this product, always follow the instructions contained in this manual, and pay attention to the safety information.

WARNING!

Do not expose this product to water, rain or moisture.

Doing this can result in electric shock or fire.

Never take this product apart or try to modify it.

Doing so is very dangerous and could result in electric shock.

Do not store this product near open flame.

Do not use this product near open flame or place lit or flammable items, such as candles, incense, ect., on it.

Do not place any containers filled with water or other liquids near this product.

Doing so could result in fire or electric shock if the liquid spills and enters the product or gets it wet. If a liquid spills near this product, unplug the product immediately.

Do not remove or insert the power supply with wet hands.

Doing so could result in electric shock.

Do not use the power supply in any of the following ways.

Doing so could result in fire or electric shock.

Modifying or heating the power cable

Damaging the power cable

Bending or tugging on the power cable unnecessarily

Knotting or kinking the power cable

Setting heavy objects on the power cable

When moving this product , first unplug the power supply from the outlet. Do not tug the cable or move this product with the power supply plugged into the outlet.

Doing so could damage the cable, possibly resulting in fire or electric shock.

To reduce the risk of electric shock, do not remove the cover.

No parts inside the product can be serviced by the user. If your product needs service contact:

Compu-Video Systems Inc. at (845) 737-7009.

Usage Environment

Avoid using or storing this product in areas such as those listed below. Doing so could damage the product or cause it to malfunction.

Areas exposed to heat or flames

Humid areas and areas where water is used

Handling this product

Do not drop or apply a strong force to this product or any included or connected parts.

Do not spill liquids around or inside this product or drop flammable objects around or inside it.

Power Supply

Only use the supplied power supply which is designed specifically for this product.

Do not allow the plug to come into contact with metal or water.

This Product is not designed for contact medical use

Do not use this product for medical applications that could result in patient contact.

Model	# Of Inputs	# Of Outputs	Controls	Special Features
DA-1200	1	12	None	None

DA-1200:

The DA-1200 has a standard input terminated in 75 ohms. Any unused outputs can be left unterminated.

DA-112

SINGLE INPUT DISTRIBUTION AMPLIFIER, COAX

KEY FEATURES:

- Single 1x12 Distribution amp in each unit
- High quality Color video performance
- Industrial grade specifications
- Compact size
- UL listed Power Supply
- Made in the USA

The **DA-1200** is a high performance 1x12 Color Video distribution Amplifier in a compact chassis. Instead of installing multiple DA's, use the **DA-1200** to save space and money. For less than 1x12 operation use only the outputs needed and simply leave the unused ones unterminated. A UL listed power supply is included with the **DA-1200**.
